

?Balance

What is it?

Balances are another type of payment method. Balances work like credit. You can buy as much of this "credit", and this credit can be spend on our services. You can get this credit by pressing the [Add Balance](#) Button.

Another way to have more "credit" on your balance is by gaining it over gift cards, or by winning a giveaway.

How can i get balance "credit"

- Purchasing it
 - Receiving it through gift cards
 - Receiving it through giveaways
-
